Cheat(er) Code Oct 19 2021 An erotic graphic novel that pushes all the right buttons, Cheat(er) Code is a hilarious, sexy, and surprisingly tender story about navigating heartbreak and rediscovering your own confidence. Kennedy and his boyfriend Seth have been together six years, and honestly, it's pretty comfortable. That is, until the couple gets into a huge, potentially relationship-changing fight. Kennedy turns to his trusty video games to distract himself, but when a random power surge hits, he's transported inside his video game library. Dazed and incredulous about his digital predicament, Ken finds himself seduced by a silver daddy, rutting with a couple of barbarians from an epic fantasy, and sorting through a lot of confusing feelings about his favorite anthropomorphic cheetah character. Kennedy will need to confront his biggest fears to get back to reality

before the game glitches him out of existence, but sometimes, the unexpected (and unexpectedly sexy) is just what you need to hit the reset button. "Hilarious and heartwarming, it's an absolute must for your favorite gaymer and an incredible read for anyone who's ever console-d themselves through a heartbreak."
