The Spirit in the Book of Revelation Oct 02 2020 The investigation centres on the role of the Spirit in Revelation, which the author considers is best defined as the Spirit of Prophecy. A survey of scholarship on the pneumatology of the Apocalypse is followed by a study of intertextual connections. The author's own religious context within Pentecostalism then informs a possible hermeneutic that is faithful to the ethos of the movement. Biblical and literary studies are situated within the context of a Pentecostal community as attention is paid to the prophecy concerning the temple and the witnesses in Rev 11. This key passage is shown to form the theological as well as the literary centre of the Spirit's role in Revelation.

The Spirit Said Go Jul 11 2021 "God's got a plan for your life" is an aphorism frequently heard by Christians. But how do you discover that plan? *The Spirit Said Go* is designed to help believers find God's will. Using Paul's journeys in Acts as examples, Wilson discusses twenty lessons on guidance drawn from these journeys. Using his firsthand experience traveling along these routes in the Eastern Mediterranean, he reads between the lines offering additional insights into Luke's account. He also provides important geographical and archaeological information to illustrate Paul's world among the Jews, Greeks, and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical, spiritual insights regarding how God guides his people then and now.

Subversive Spirits Aug 20 2019 The supernatural has become extraordinarily popular in literature, television, and film. Vampires, zombies, werewolves, witches, and wizard have become staples of entertainment industries, and many of these figures have received extensive critical attention. But one figure has remained in the shadows--the female ghost. Inherently liminal, often literally invisible, the female ghost has nevertheless appeared in all genres. *Subversive Spirits: The Female Ghost in British and American Popular Culture* brings this figure into the light, exploring her cultural significance in a variety of media from 1926 to 2014. Robin Roberts argues that the female ghost is well worth studying for what she can tell us about feminine subjectivity in cultural contexts. *Subversive Spirits* examines appearances of the female ghost in heritage sites, theater, Hollywood film, literature, and television in the United States and the United Kingdom. What holds these disparate female ghosts together is their uncanny ability to disrupt, illuminate, and challenge gendered assumptions. As with other supernatural figures, the female ghost changes over time, especially responding to changes in gender roles. Roberts's analysis begins with comedic female ghosts in literature and film and moves into horror by examining the successful play *The Woman in Black* and the legend of the weeping woman, *La Llorona*. Roberts then situates the canonical works of Maxine Hong Kingston and Toni Morrison in the tradition of the female ghost to explore how the ghost is used to portray the struggle and pain of women of color. Roberts further analyzes heritage sites that use the female ghost as the friendly and inviting narrator for tourists. The book concludes with a comparison of the British and American versions of the

television hit *Being Human*, where the female ghost expands her influence to become a mother and savior to all humanity.

The Spirit and Relational Anthropology in Paul Sep 13 2021 La 4e de couverture indique : "For the Apostle Paul, humans do not identify and act on their own but are constituted, in part, by relationships. Samuel D. Ferguson shows that, according to Paul, the work of the Holy Spirit further attests to this, as Christians realize their new life through Spirit-created relationships of sonship and communal interdependence"

The Art Spirit May 29 2020 Written 100 years ago, *The Art Spirit* by Robert Henri is most influential book for artists, and especially American artists. It still remains one of the best selling books on art and creativity, and it attracts new readers with every generation. Henri with the assistance of Margery Ryerson prepared this book from four decades of his lecture notes and hundreds of letters to students and friends. *The Art Spirit* deserves to be in every artist's library. Although Henri offers practical advice on painting, the book is not just about how to do art, but how to become an artist. For Henri, there was no greater human ambition than to be an artist. Although Henri's own life was not without challenges, especially financial ones, he does not dwell on his personal adversities. The book is a glorification of the artist's life, and how mundane difficulties pale to the joys of the artistic life. *The Art Spirit* provides insights into the mind of one of America's most influential artists and teachers, and the reader-artist comes away with an uplifting sense in what it means to be a part of the great "Brotherhood" of art. One of the problems of the original edition was that Henri was a frequent name-dropper. In this new edition, names and terms are annotated along with illustrations, making the read more informative and enjoyable. It is the best of *The Art Spirit* reprints.

Speaking with Spirit Dec 24 2019 A collection of 52 prayers and stories to inspire, unlock inner strength, and navigate daily life with spirit, from the author of *Wake Up to the Joy of You*. "Prayer is a bridge to your truest self that you can access at any time."—ARIANNA HUFFINGTON "This lovely book vibrates with wisdom."—JESSICA ALBA "Read this book to discover the power of prayer."—GABRIELLE BERNSTEIN Prayer is your ongoing conversation with something larger than yourself. And similar to a mindfulness practice, a daily prayer practice has the power to change your life. Regardless of whether or not you practice organized religion, this gift is available to you as a way to unlock greater awareness and inner strength. With her signature joy and heartfelt wisdom, Agapi Stassinopoulos presents a non-denominational guide to harnessing this power of prayer in your life and using it to find connection, peace, and gratitude. With a structure and style similar to her bestselling meditation book *Wake Up to the Joy of You*, Agapi encourages us to pray for everything, not just for special occasions. You can get your God fix anytime and anywhere: at the gym or on the train, when you're on a deadline or when you're enjoying your first cup of coffee. Accompanied by her personal stories, she shares fifty-two prayers for a year of personal transformation, from navigating relationships with family and friends and expanding past your fears to uncovering your true self and releasing your inner creativity. With prayers written with her unique poetry, verve, and spiritual insight, Agapi guides us in transforming the fear, worry, and anxiety of everyday life into conscious moments of peace and calm. Ultimately, she is teaching us the language of our own soul and the larger energy out there, whatever you want to call it, which is always available to us if we know how to listen and to speak with spirit.

THE SPIRIT OF SPINOZA Feb 24 2020 BENEDICT SPINOZA was a 17th-century philosopher and spiritual psychotherapist. This intellectual self-help book provides important insights from Spinoza's system of thought in a format accessible to the general reader, as well as to those already familiar with his philosophy. By applying his method to our personal lives, we may free ourselves from bondage to our lower emotions and habitual behaviors and thus begin to enjoy the "continuous, supreme, and unending happiness" promised by Spinoza. "Those of us who came of age in the twentieth century were taught that we must adopt a crazy-making strategy of compartmentalizing our lives, putting our rational, scientific side into one corner and our psychological/spiritual side in another. The precarious state of our world is evidence enough that this approach to life is a destructive dead end. You are holding an effective alternative in your hand. The Spirit of Spinoza is a brilliant treatise that has been field-tested by Professor Neal Grossman in his own life and that of his students over decades. This book is a master stroke by a master teacher about a master philosopher. It is also delightfully dangerous, for it has the power to shift one's life onto a new axis, where it becomes possible to blend knowledge and wisdom into an experience that can best be described, quite simply, as waking up." —Larry Dossey, MD, author of *One Mind: How Our Individual Mind Is Part of a Greater Consciousness and Why It Matters*

Spirit, Soul, Body Sep 20 2019 A perennial problem for spiritual traditions of all sorts is dualism—either a positing of a false distance between the Divine and the created or a rejection of creation and the human body. Many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom, both Eastern and Western. Cyprian Consiglio, OSB Cam, explores Christianity's contribution to the discussion. He offers a revisioning and rearticulation of this teaching, based on the prophetic seminal work of Bede Griffiths, toward a practical and integral spirituality that reverences all aspects of our being human—spirit, soul, and body.

Spirit Guide Contact Through Hypnosis Mar 27 2020 Contacting spirit guides is as old as civilization itself. Shamans dating back to at least 50,000 B.C. ritualistically contacted nonphysical entities. The Mystery Schools of Ancient Egypt, Greece, Persia, Rome, and India also dealt with contacting spirit guides. Every major religion acknowledges the reality of discarnate entities or spirits, whether they are called saints, angels, the Holy Spirit, and so on. One of the purposes of this book is to demystify this process. The media's depiction of spirit contact has led to

the false assumption that anyone who establishes this contact must be in great danger. In reality, this communication is natural, relatively simple, and a wonderful growth experience. Spirit communication removes the fear of death and bereavement, and results in a form of spiritual empowerment. Contacting your spirit guides can help us: Develop your intuition and other psychic abilities. Increase your ability to love yourself and others. Become more aware of the workings of the universe. Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution. Protect you from negative entities and/or other forces in the universe. Access the wisdom of the ancients. Establish and maintain your own physical, mental, emotional, and spiritual health. Overcome bad habits and fears. Eliminate the fear of death. See into the future. Master the art of out-of-body experiences. Learn your true karmic purpose. Spirit Guide Contact Through Hypnosis includes free audio companion downloads.

The Adventure of Being Human II: Mother Spirit Speaks May 09 2021 The central deity-personalities of the Urantia Revelation are humanity's spiritual parents—Christ Michael (or Jesus) and his coequal partner, Mother Spirit. In this sequel to *The Adventure of Being Human:*

Lessons on Soulful Living from the Heart of the Urantia Revelation, the focus is exclusively on Mother Spirit—the all-loving, omnipresent mother of us all. She is the reality behind all of the cherished notions of a divine mother throughout human history as well as the majestic source of the Holy Spirit, and of life itself. In this charming guide you will learn all about her and discover how she regards the unique challenges of being human. She will explain why our lives on this complex and sometimes dangerous planet offer an ideal setting for our adventures of soul growth. This book provides a selection of Mother Spirit's teachings from her many years of "live" transmission sessions, along with rich supporting materials. Her unprecedented and delightful instructions on the art of soulful living are more accessible than ever before.

The Spirit of Liberation Feb 06 2021 With this study on Moltmann's pneumatology the author recently obtained the doctor's degree from the Faculty of Theology of the Free University in Amsterdam. First of all, the book provides us with a thorough evaluation of the role the Holy Spirit plays in the theology of Jürgen Moltmann in its subsequent phases. The author's conclusion is that despite all differences there is one constant factor: the Spirit is always connected with freedom. The Holy Spirit, according to Moltmann, is a liberating power. Because the author is eager to place Moltmann's pneumatology repeatedly in the context of his theology as a whole and of its developments, this book offers - and that is a second quality - an outstanding insight in the whole of Moltmann's theology and its development throughout the years.
