America in the 1960s. Canadian-built trucks were often unique, while others were built specifically for the American market. The North American truck manufacturers

continued to thrive to meet the demands of the prosperity of the 1960s with fresh designs and features. These rugged, reliable trucks were capable of transcontinental commutes of

goods on a regular basis, or performing delivery and construction tasks in and around cities. This concise volume covers not only the histories of the major and lesser known truck manufactures, but also the obscure, yet historically significant manufacturers.

reels to a paid fire department in the county seat of Cumberland and 23 modern volunteer fire departments. Highlighted in Firefighting in Allegany County is the Cumberland Fire Department, which formed in 1906 as the second paid fire department in Maryland. The oldest all-volunteer department, Frostburg, is also given extensive coverage as well as the volunteer fire companies in the coal-mining region of Georges Creek. The more rural area of eastern Allegany County and suburban Cumberland have been protected by volunteer fire companies since the 1930s and 1940s.

The Lincoln Story Apr 06 2020

Lincoln's heritage is as rich as that of any car built anywhere in the world, and more impressive than all but a few. Generations of Americans have known it as the Car of Presidents; since the days of Franklin Roosevelt, the White House has exhibited a marked preference for Lincolns. This comprehensive, illustrated history describes in detail the successes and failures of the Lincoln from World War II up to the present-day Aviator. It discusses the forces in the
