"Alice Vega is sensational—I want to see lots more of her." —Lee Child, #1 New York Times best-selling author Alice Vega has made a career of finding the missing and vulnerable against a ticking clock, but she's never had a case like that of Zeb Williams, missing for thirty years. It was 1984, and the big Cal-Stanford football game was tied with seconds left on the clock. Zeb Williams grabbed the ball and ran the wrong way, through the marching band, off the field, and out of the stadium. He disappeared into legend, replete with Elvis-like sightings and a cult following. Zeb's cold trail leads Vega to southern Oregon, where she discovers an anxious community living under siege by a local hate group called the Liberty Boys. As Vega starts digging into the past, the mystery around Zeb's disappearance grows deeper, and the reach of the Liberty Boys grows more disturbing. Everyone has something to hide, and no one can cut to the truth like Alice Vega. But this time, her partner Max Caplan has his own problems at home, and the trouble Vega finds might be too much for her to handle. Hideout is pure adrenaline and Luna's most intimate thriller yet, a classic cold case wrapped in a timely confrontation with a terrifyingly real network of white supremacists and homegrown terrorists.

**Woman of Hat Island** Feb 01 2020 Weathering the Winds of Change Yui Ito Yoshida had always lived on Hat Island. She didn't think she could live anywhere else. She'd faced trauma as a child, more trauma as an adult, but now? Now she had a mate, two children, and she was happy. Safe. She laughed when they called her the Woman of Hat Island, but she had to

acknowledge she was deeply rooted here. It was her refuge. Then Stefan Lebenev showed up to reopen the Wolf Harbor Resort. And she wasn't sure even the island she loved could keep her safe from the storm he was bringing to Hat Island. When Stefan Lebenev thought he might be able to keep girl shifters alive during first shift, he needed a place for a research lab. He returned to the only place he'd ever felt safe — Wolf Harbor on Hat Island — and to the only person he ever felt loved him, Yui Ito, now Yui Oshida. The fact that Yui had married Okami Oshida, one of the most feared warriors in the Northwest, wouldn't hurt. Because if Stefan could do what he thought he could? He would change the shifter world forever. Okami Oshida didn't want Stefan here. He represented change. And change, in his experience — centuries of experience — meant the risk of danger to the people he loved. But as he listened to the man, he knew two things: One, Stefan's prototype serum could mean his own daughter would live through first shift. He'd do whatever he had to for her to live. And two? The Woman of Hat Island was calling her boys home. That had far-reaching implications, and might be as dangerous as the serum itself. The prequel to Alpha Female, book 1 in Wolf Harbor.

**Hauntings and Havoc** Dec 01 2019 Hey, Odessa here. I'm back with another snafu. After my last attempt at solving a murder almost got me killed, I focus on my scarecrows. Well, I try to, but there's the minor matter of being under arrest. I mean, it's a huge misunderstanding. I'm an honest, hardworking witch, just trying to bring her dead guy back to life. I don't see the problem. An escape from custody, a hideout in a magic distillery, and another ghost showing up means this witch is up to her pointy hat in trouble. And the ghost who finds me means business. Arietta Frost was a sly, entitled magic draining harridan when alive, and she's an even worse ghost. And super powerful. She blackmails me into finding out who killed her by trapping my new cat familiar and my friend - did I mention Sol? He works for me, we're friends, and he recently told me he's in love with me! After a quick shuffle through the evidence, the case is solved, when a magic tracker reveals the killer. If only it were that simple. The supposed killer has an alibi, as do the rest of the suspects. But someone shot Arietta, and I need to figure out how and who, all while avoiding getting caught by the Magic Council for my sneaky escape from jail. It'll be fine once I've explained things. Hopefully. With suspects everywhere, the ghost demanding answers, and my magic fading, I'm running out of options. But I will clear my name with the Magic Council, so I can get back to my farm and find a way to bring Brodie to life. I'll also shake loose this cruel ghost by finding her killer. Last week, life was just pumpkins, scarecrows, and magic. Now, it's all murder, mayhem, and suspects. \*\*\* Welcome back to the wacky world of a witch with a little something extra. Odessa is pure of heart and pumpkin obsessed, and she always wants to help. But when that kind heart drags her into another complicated murder mystery, she's out of her depth. Enjoy this witch paranormal cozy mystery, featuring a troubled magic user with a small pumpkin problem, a snarky cat (there's always a snarky cat), a group of amazing friends, and a mystery that'll have you wondering who did it until the very end. Oh, and those scarecrows, they still bite!
